## *Welcome to Saraguay*

or the last 15 years we have endeavored to produce our Polled Shorthorns with the good eyes, heads and legs of their Scottish ancestors. We feel now that over the years with the cross of the good horned animals, with the good American polls, we have accomplished what we at Saraguay set out to do.

We are very proud of having produced the first home-bred AAA Polled Shorthorn stock bull in Canada — Saraguay Gambler 12th x. I hope you will like him when you see him. Most of the young calves at foot are by him.

We look forward to having you with us on September 29 and 30 and showing you our herd of cattle.

Cordially,

*Mrs. W. C. Pitfield*

## *Win a Valuable Kuvasz Dog*

Mrs. W. C. Pitfield, owner of Saraguay Farms, is one of the few breeders of Hungarian Kuvasz dogs in Canada. She is presently awaiting the arrival of one of the finest Kuvasz dogs in Hungary today. He will be mated to one of the females pictured above that were imported in dam.

The person who can correctly guess the weight of Saraguay Gambler 12th x, AAA, on sale day will be the winner of one of the pups resulting from this mating. Only those attending the sale are eligible. In the event of a tie, another weight guessing contest will be held.

The farm is a five minute drive from Dorval International Airport and from the Dorval Railway Station. Rental cars are available. From air or rail stations take the Hilton Hotel courtesy car to the five-minute drive to the hotel. From there, we will be happy to arrange transportation to the farm. The Hilton telephone is 631-2411. At the airport see the Murry Hill limosine dispatcher.

**SALE HEADQUARTERS:** Montreal Aeroport Hilton, Dorval, Que. A five minute drive from the airport. Address reservations to Peter Buddo, manager. Tel: 631-2411. Because of Expo '67 rooms are scarce, but a large block has been reserved. Please write for reservations immediately to the hotel, to Saraguay or to the sale manager.

**AUCTIONEER:** Jock Blacklock, Saskatoon, Sask.

**GUARANTEE:** All cattle will be sold under the standard guarantee endorsed by the American Shorthorn Ass'n.

**HEALTH:** The cattle will be sold in compliance with the health regulations of Quebec and proper papers will be furnished to insure their entrance into the United States and other Canadian provinces. Since local regulations vary, it is always wise to check the rules of your home state for any variance from Quebec law. The Saraguay herd is federally certified and accredited free of tuberculosis and brucellosis. Calfhood vaccination of females is practiced. The last negative herd test was in May of 1967. All females selling will be pregnancy examined.

**TERMS:** Terms of the sale are cash. Checks should be handed to the clerks immediately following the auction. Please be sure to have the clerks record your shipping instructions. All announcements at sale time, written or oral, supercede any written material in this catalog or in any advance advertising.

**LIABILITY:** Saraguay Farms, its owners, and employees accept no liability for accidents that may occur. Accidents at cattle sales are rare, but all attending must do so at their own risk. The sale manager, his staff, auctioneers, ringmen and clerks were employed by the owners for specific promotional and clerical tasks and have no connection with the handling of the cattle, the condition of the premises, fulfillment of guarantees or health papers. The sale of

each animal constitutes a contract between the buyer and seller of each lot, but the sale manager cannot be responsible for the fulfillment of that contract. Where footnotes appear in this catalog, they were written by or from information provided by the owners and employees of Saraguay Farms.

**ANNOUNCEMENTS:** A complete list of breeding dates and other pertinent information will be furnished at the sale.

**LUNCH:** Will be available on sale day.

**TELEPHONE:** Monty Cowan (514) 332-2576.

**PEDIGREES:** Saraguay Farms will provide, at its expense, pedigrees transferred in the Canadian Shorthorn Herd Book. Further transfer to herd books of other countries must be done at the buyer's expense.

### Heifers on Pasture at Saraguay

**T**here are few Polled Shorthorn production sales scheduled in a year's time and to those who hold them should go the sincere commendation of the breed.

For 15 years Mrs. W. C. Pitfield and her manager Monty Cowan have worked quietly establishing, culling and molding one of the continent's fine Polled Shorthorn herds. They have used a long succession of well-known stock bulls that are detailed elsewhere. Representatives of Scotland's most reliable female lines populate the pastures — in polled form! Saraguay was the first to import polled females from Scotland and they have successfully infused the blood of the breed's homeland into their polled program.

From throughout North America have come representatives of nearly every prominent Polled Shorthorn line. These have been worked together into a cow herd of great size and stamina to withstand the rigors of the Quebec climate.

Saraguay is an eminently practical operation. The home farm lies at the outskirts of Montreal and may well soon be engulfed by that growing city. But a second farm has already been purchased further out and many of the Polled Shorthorns are already there on improved, lush pastures.

Mrs. Pitfield is a careful student of agriculture. In fact, she is currently president of the Montreal Farmers' Club, the continent's oldest. She knows that nature cannot be hurried and with great patience and endless good humor she has built Saraguay.

The females in the catalog are listed by families so you can see what is being retained as well as what is being sold. The herd will be divided more than equally and every good family is represented except the Fair Clippers which were only acquired in June.

The daughters of these females by the grand young AAA Saraguay Gambler 12th x should easily send the herd to new heights.

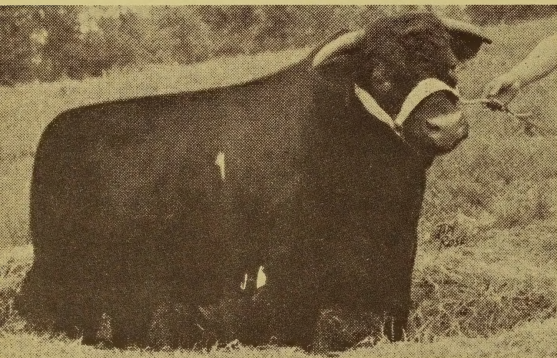

If you are sincerely interested in Polled Shorthorns of size and stamina, you'll be at Saraguay on September 30. I can't think of a more pleasant trip that can also include visits to Tutira, Expo '67 and the Aberfeldy-Ettrick-Scotsdale Sale as well.

Let's make it a record turnout for the breed.

# SARAGUAY: *Type Classified*

## *For Further Improvement*

As a further tool in the improvement of the herd, Saraguay has been officially type classified by the Canadian Shorthorn Ass'n.

It is particularly gratifying to announce that Saraguay Gambler 12th x is rated AAA on the official scoreboard and to our knowledge is the youngest bull ever made AAA in North America.

Moreover, more than 40% of the cow herd is classified AA on the Canadian basis. Dams of this uniformly high quality have given Saraguay is uniformly good and strong herd. Many of these great cows will be sold on September 30.

The head of Saraguay Gambler 12th x, AAA, as a yearling. To our knowledge he is the youngest bull ever classified AAA in North America.

OAKWOOD MAJESTIC x — From the historic Oakwood herd came this son of Creekland Lancer x at the top of the 1959 Oakwood sale. His dam produced the winning two-year-old heifer at the 1958 International. Majestic himself won the senior bull calf class at the Ohio State Fair and the Pennsylvania National in 1959. After coming to Saraguay, he was undefeated grand champion at Ottawa, Lachute, Ormstown, Sherbrooke. Unfortunately he was lost at an early age, but almost every daughter was retained. They are among the best in the herd with their exceptional thickness, style and rugged bone.

WESTDRUMS ROMULUS — By the famed Uppermill Leopold, acknowledged by all as a sire of thick, red-meat stock bulls. Leopold also sired the \$18,000 International grand champion Dandy of Westdrums x, Duke of Westdrums x, and Westdrums Wayfarer. His sons accounted for the best pair, best three, best three-by-one-sire and best five-by-one-sire at Perth. Romulus is out of Princess Dossie that topped the Cruggleton dispersion at \$6,000! He was purchased for the Saraguay herd to bring the influence of the great old Cruggleton herd. All of his daughters are retained except two that sell as prime attractions.

SCOTSDALE VANQUISHER — Saraguay felt fortunate to buy one of the last sons of the Perth supreme champion Calrossie Prefect. He is out of the beautiful imported Dungarthill April Queen! Vanquisher has been used on a number of the Saraguay cows. After this sale, there will be less than 40 females in the herd so his use will be limited. Accordingly, we offer two-thirds interest and full possession in this top young sire. Be sure to see his first calves at the side of their dams at Saraguay.

From left are Saraguay Gambler 40th x, Lot 3, and Saraguay Gambler 42nd x, Lot 2. Both are by Home Again Gambler x and are half brothers to Saraguay Gambler 12th x,

**SARAGUAY GAMBLER 42nd x** — By Home Again Gambler x, he's a full brother to Saraguay's own Saraguay Gambler 12th x, AAA! Saraguay offers him with great pride and our heartiest recommendation. If Gambler 12th x were not young, active and in excellent health, the 42nd x would never be sold. The dam is a great 1,450 pound cow that many consider one of the breed's best. Here is the culmination of the Saraguay breeding program with a strong infusion of imported blood and the very best of Polled Shorthorn conformation. For future herd bull insurance — the kind that is giving Saraguay its biggest and best cattle today — a one-third interest in this calf must be retained, however full possession will go to the new owner.

Saraguay Princess Martha x is the dam of Saraguay Gambler 40th x, Lot 3.

We watched these Mayflowers do a good job at Gloriadale and in the near dispersion were lucky enough to purchase three cows with two heifer calves. We now have eight and have decided to part with three in the sale. Gloriadale Nugget 2nd x now in service at Questing Hills, Chandlerville, Ill., and Gloradale Meteor 5th x were both out of Mayflowers.

The two heifers in the center of this group are both Gloriadale Mayflowers that were acquired in the near-dispersion of that famous herd. They are the nucleus of the Saraguay Mayflower family, four of which sell.

One of the best-known Polled Shorthorn cows in Canada is Gloriadale Mayflower 8th x, from the same family that produced the Saraguay Mayflowers.

Gloriadale Meteor 5th x produced many of the best at Gloriadale. He is a half brother to Gloriadale Mayflower 28th x, Lot 7.

**GLORIADALE MAYFLOWER 28th x** — Gloriadale retained two Mayflower cows in the ten cows they held over after their dispersion. Ten head of Birmingham Mayflowers averaged \$850 in that sale. They are no hit and miss family. Her 1965 heifer sells as Lot 8. We are retaining her 1966 heifer calf by Saraguay Gambler 12th x. She was bred to Saraguay Gambler 12th x on February 17.

SARAGUAY MAYFLOWER 4th x — Another Constellation of Bapton x, AAA, daughter out of Gloriadale Mayflower 25th x being retained. We are also retaining her 1965 daughter, Gloriadale Mayflower 37th x, that in turn has a very good polled Gambler 12th heifer calf at foot. Selling open.

The grand old Saraguay Laguna by Calrossie Forward March founded one of the best Polled Shorthorn tribes of the breed. Three of her descendants, including an own daughter, sell September 30!

## THE LAGUNA FAMILY

- 1957 Saraguay Laguna by Calrossie Forward March
- 1959 Saraguay Laguna 3rd x, sells by Alpine Juggler 7th x
- 1961 Saraguay Laguna 5th x by Oakwood Majestic x
- 1962 Saraguay Laguna 7th x by Oakwood Majestic x
- 1962 Saraguay Laguna 6th x by Westdrums Romolus
- 1966 Saraguay Laguna 16th, sells by Home Again Gambler x
- 1966 Saraguay Laguna 18th x, sells by Home Again Gambler x

We purchased the old Morphie Laguna cow in the 1956 Gardhouse sale at a very conservative price. The following year we sold her at a high price and kept her Calrossie Forward March daughter. From this one cow we now have seven females in the herd and have decided to part with three of them. Morphie Commando, rated as one of the best sons of Bapton Commando, was used in the Anderson Bros. herds for many years.

SARAGUAY LAGUNA 3rd x — The Lagunas at Saraguay have produced long and well and this young cow is the choice of many. Alpine Juggler 7th x was purchased for his concentration of Thiemman breeding which is synonymous with size and quality. Remember too that Calrossie Forward March gave Aberfeldy many of their top brood cows and the dams of their most recent show winners. Bred since June 26 to Saraguay Gambler 12th x, AAA.

## THE AUGUSTA MAY FAMILY

1962 Saraguay Augusta May 6th x, sells by Lynnwood Bolster x  
1966 Saraguay Augusta May 10th, sells by Home Again Gambler x  
1967 Saraguay Augusta May 12th x by Scotsdale Vanquisher

Saraguay manager, genial Monty Cowan, stands behind Lynnwood Augusta May 6th x, after he purchased her at the \$2,000 top of the Polled Shorthorn Congress for Saraguay. She sells as Lot 39!

We purchased the original Lynnwood Augusta May 6th x in the 1962 Polled Congress for \$2,000. Her granddam, Hilddale Augusta May x, was one of the most popular International grand champions ever shown. We have four in the herd and will sell three!

Hilldale Augusta May x was one of the most popular International champions of all time. She founded the Saraguay Augusta May tribe.

LYNNWOOD AUGUSTA MAY 6th x — Now that the Lynnwood herd is no more, few daughters of the grand old Carona Fascination x are available. This one is also a granddaughter of the International grand champion Hilldale Augusta May x! A young cow, she has a heifer calf at foot by Scotsdale Vanquisher and was bred again to him June 13.

SARAGUAY AUGUSTA MAY 10th — A very sweet horned daughter of Home Again Gambler x out of Saraguay Augusta May 6th x, Lot 14. Sells open.

## THE JEANETTE FAMILY

1966	Saraguay Jeanette 6th x, sells	by	Home Again Gambler x
1966	Saraguay Jeanette 8th x, sells	by	Home Again Gambler x

The Carona Jeanette family was certainly one of the best at Carona. In the first Avenel sale in 1958 we purchased Avenel Jeanette x. Her first bull calf paid for her. Since then she has been a steady producer. In 1962 she gave us Saraguay Jeanette x to the mating of our imported Westdrums Romulus. Then in 1964 we mated Saraguay Jeanette x to Home Again Gambler x to give us our now popular AAA bull Saraguay Gambler 12th x. We have decided to sell three of this grand family in the sale and retain two.

**Saraguay Jeanette x, the dam of Saraguay Gambler 12th x, AAA, is a sterling representative of one of Saraguay's best families, three of which sell.**

Oakwood Majestic x by the International grand champion Creekland Lancer x served well at Saraguay. Lot 16 is one of the few Majestic daughters that will ever be sold.

SARAGUAY JEANETTE 2nd x — We are only selling two Oakwood Majestic x daughters, and this is one of them. She has a beautiful Home Again Gambler x polled daughter selling as Lot 18. Bred to Saraguay Gambler 12th x, June 13.

We have had this family for eight years, but they have produced mostly bulls. Hence the reason we have very few of them, and can only part with one in the sale. The Marellbar Simplicity family is well-known in the United States and has produced well for Glatwyn Farms, Greencastle, Ind., and Cyrus Eaton's Acadia Farms, Northfield, Ohio.

At left is one of the valued Saraguay Simplicity heifers. The family has given Saraguay primarily bulls, so only one daughter can be spared for this sale.

In the Millhills dispersion five Scottish Buttercups sold for an average of \$2,300. The top also topped the sale going to Bapton at \$5,600. When Ben Franklin, Birmingham Farms, had his first sale in 1953 we took the only one offered, namely Scottish Buttercup 48th. In the Birmingham dispersion in 1956 we took two of the three polled Buttercups offered. They have been a consistent family for us, and in our last sale Sutherland Farms, LaGrange, Ky., purchased our only Buttercup entry. Northwod acquired a Scottish Buttercup with the purchase of the Islabank Herd in Scotland. In the 1963 sale Acadia Farms, Northfield, Ohio, paid \$4,000 to own a daughter, and in Northwood's 1964 sale Lindee Farms, Galva, Kan., paid \$2,200 to own another daughter.

Islabank Scottish Buttercup 2nd was purchased by Betty Royon for Cyrus Eaton's Acadia Farms, Northfield, Ohio, at \$4,000 in the 1963 Northwood sale. Her polled daughter at foot later won her class at the International at a three-month age disadvantage. Pictured with Miss Royon is the late Bud Grosse of Northwood. This Scottish Buttercup family has produced exceptionally well for Saraguay and three of them sell!

We have five in the herd and have decided to sell three, two of which are pure horned blood by Norman Hogg stock bulls. The other is a polled daughter of the old cow herself!

## THE FAIR CLIPPER FAMILY

- 1956 Riverpark Clipper Jean x by Birmingham Scotston Wanderer x  
1959 Riverpark Clipper Buttercup x by Hi-Way Fantasy x  
1963 Riverpark Clipper Duchess x by VV Leishman 5th x  
1963 Riverpark Clipper Heather x by VV Leishman 5th x  
1967 Riverpark Clipper x by Wheat Acres Prince Clipper

A book could be written on a few of the cow families developed by the late Duncan Stewart of Millhills and the Fair Clipper was one of them. Fair Clipper 45th was often referred to as the ideal cow and was unbeaten female champion of Britain in 1956. In 1959 a son Bapton Northward Bound was bull of the year.

A daughter, Bapton Fair Clipper, produced Clipper King of Bapton x, sire of many good polled bulls. At the recent Louada All-Female sale a daughter of Bapton Fair Clipper sold to K.C. Shorthorns, Kansas City, Mo., for \$3,000.

In the Millhills dispersion Ian Henderson, Woodhead, paid \$3,000 to own Fair Clipper 44th. Her first daughter produced the two best bulls he ever raised, namely Woodhead Wavely and Woodhead Exchequer. At the recent Denend dispersion he paid \$750 to get the old Bapton Fair Clipper cow and a daughter at the same price. Those of course were all horned females.

The well-known Clipper King of Bapton x was used successfully by Northwood, KC and Royalty. He sired the AAA Roan Lad of Northwood x now owned by Magill Farms, Verona, N. Dak. His dam was one of the valuable Bapton Fair Clippers, a family that Saraguay just acquired in June. Consequently, none sell.

One Fair Clipper 40th came to Canada in 1951 and was purchased in the Old Country Flood Relief Sale for \$800 by Wilson Bros., Pilot Mound, Man. On June 26 Mr. Wilson disposed of his small but select herd and we purchased four of the six Clippers offered and all of them were polled. None will be available in this sale, but they form the nucleus of a great family for the future.

Westdrums Romulus was Saraguay's imported son of Uppermill Leopold. He was out of the Marshall-bred Princess Dossie that topped the yearlings in the Cruggleton dispersion at 1,800 pounds.

The Princess Royal family at Cruggleton was the favorite one. So much so, that no less than 50 Princess Royals were sold at the Cruggleton Dispersion in 1952! One of them was Princess Dossie, the dam of Westdrums Romulus, used here at Saraguay. Princess Dossie sold for 1,800 pounds, topping the yearling heifers. The sale top was also a Princess Royal four-year-old going to Calrossie at 2,400 pounds. Gordon Blacklock always said that the old Princess Dossie cow was as near to perfection as any cow he had seen. We have two polled daughters and two grand-daughters and have decided to sell their dam. We are sorry we can't part with more of this family.

SCOTSDALE PRINCESS NETTA — Was purchased in the 1959 Toronto area sale and has been a steady producer for us. We are retaining two polled daughters and two granddaughters in the herd. Bred April 2nd to Scotsdale Vanquisher.
